KRH

CAPABILITY STATEMENT

THE WINNING PARTNERSHIP

Ever since 1991, KRH has been the pioneer in providing cutting-edge logistic support services to the defense industry, particularly the US army prime contractors. As the industry evolved in the last 10 years, KRH was lean to evolve and become a globally built company serving its clients in the heart of CENTCOM. Our deep understanding of our client's changing needs, drives us at KRH to continuously innovate, to address your challenges and celebrate success together.
